Dear Maggie, Star and the Sunnyvale Healthcare Center:

On behalf of Yu-Ai Kai, I would like to thank you for providing the wonderful travel mugs, plastic cups, candy and the delicious cookies and coffee for our monthly bingo that was held on June 30, 2010.

BINGO is one of the highlights of this center and we usually get fifty or more seniors attend every month. Your prizes contributed to another success bingo event. I hope you enjoyed your time here too.

The spirit of Yu-Ai Kai is certainly shown by your generous support and allows us to continue to provide and improve these programs for the senior citizens in this community.

Sincerely,

Julie Kimiyo Hubbard
