Re: Helena Solleder
Room 37 A

Dear Mrs. Chavez:

I am writing to let you know that my mother will be moving from Sunnyvale Health Care Center on Monday, April 20, 2009.

I want to thank you and your staff for the good care she received at Sunnyvale. When she first arrived in the spring of 2007, she was sickly, thin, wheel-chair bound and using a feeding tube. In the past two years your staff has gotten her walking, eating and drinking. The feeding tube finally came out and she has put on over 25 pounds! Thanks to all of you, she is well enough to go into assisted living.

I want to compliment all your staff: the nurses, the caring CNAs, the kitchen staff and the folks who keep Sunnyvale up and running. I especially want to thank Francisca, the lead CNA, who found not only Mom's afghan but her "grabber" as well. Francisca is an excellent employee and always good-natured.

Thank you all again for your care of my mother.

Sincerely,

Gabrielle M. Solleder
